

20 Good Reasons Thirsty Merc

Song: 20 Good Reasons
Artist: Thirsty Merc

This just adds in the nice variations that they use that make the song more interesting.
I've also added a capo'd version in C.

C#sus2: x46644
C#maj9: x46648
C# 1: x46669 -- I play this with my second finger making a barre.
Alternatively just play **C#** in the 9th position
F#/C#: x44676 -- Alternatively play 9-9-11-11-11-9

Guitar 1 - distortion and a bit of chorus?
Guitar 2 - + some delay

Verse 1:

C#sus2 **C#maj9**
They said love hurts, I wrote that book
C# **F#/C#**
I climbed that wall, I had one look
C# **G#** **Bbm** **F#**
But you just came around, to say hello.
C#sus2 **C#maj9**
The streets were filled, with guilty hearts
C# **F#/C#**
And here was I right from the start and
C# **G#** **Bbm** **F#**
I lost everything, when I lost you.

Chorus:

C# **G#** **Bbm** **F#**
So tell me baby, Why should I let you go
C# **G#**
Give me 20 good reasons
Bbm **F#**
I need to know, yeah

Verse 2:

C#sus2 **C#maj9**
And at that point, there was no pain
C# **F#/C#**
There was no sky, there was no rain
C#sus2 **C#maj9** **Bbm** **F#**
For, all there was, was you and your sweet face
C# **G#**
But life is life and things will change

Bbm **F#**
 Like scenes upon an actors stage
C# **G#** **F** **Bbm** **F#**
 Tomorrow comes today, for all we know

Chorus:

C# **G#** **Bbm** **F#**
 So tell me Baby, Why should I let you go
C# **G#**
 Give me 20 good reasons
Bbm **F#**
 I need to know, yeah
C# **F**
 Give me 20 good reasons
Bbm **F#**
 Give me 20 good reasons
E **D#m** (slide out)
 Give me 20 good reasons

To let you go

Instrumental (w some delay):

C#sus2 **C#maj9** **C#** **F#/C#** **C#** **G#** **Bbm** **F#**

C# **G#** **Bbm** **F#**
 tell me Baby, Why should I let you go
C# **G#**
 Give me 20 good reasons
Bbm **F#**
 I need to know, yeah
C# **F**
 Give me 20 good reasons
Bbm **F#**
 Give me 20 good reasons
E **D#m** (slide out)
 Give me 20 good reasons

To let you go
