I know you gotta go to university and I m just trying to make some cash to follow my dreams.

But please don t say we re too busy to give each other the time and support we need

I know we gotta work our jobs and make some money to get by in this expensive world.

Don t let that overtake the fact that before all that, you were still my girl.

While I m gone

Just be a fly on the wall

You know

I m talking about you

Just wait and see

You gotta hear what I say

I m in love with you

I m not so far away

Someday, someday

I will be here babe

Someday, someday

I will be the one babe

Someday, someday

I will be here babe

Someday, someday

I will be the one babe

Someday, someday
I ll know that you love me
Someday, someday
Sorry that I m leaving
Someday, someday
I will be here babe
Someday, someday
I will be the one babe
