THE HARD WAY
Thirsty Merc

D **Am7**
Here I sit once again. Im missing you like crazy baby.
G **Bb**
Ive screwed up again and again. Keep making the same mistakes.
D **Am7**
Dont want to be an old man, with nothing figured out yet baby.
G **Bb**
Ive got to start sometime soon. I wish I never hurt you.
Em **A**
I wish I never hurt you.

D **Am7**
Im doing the best I can, living like any man.
G **F**
My father used to say it to me, he said while youre young
Em7
Youve got to learn the hard way son.

D **Am7**
I cant call you up to talk, I know youre moving on now baby.
G **Bb**
Youve learnt to steer real clear, of guys that resemble me now.
D **Am7**
But dont I know Im on my own. Its all about decisions baby.
G **Bb**
This was the ultimate test and once again I failed myself.
Em **A**
