This is my first song to tab so it may not be a 100% correct. This only about 3/4 of the song. The piano solo is not included. Email me if there are any corrections to be made.
Thanks and enjoy!

INTRO: **Am Em F, C Em F**

I see so little time

My eyes are crossed, my hands are tied

Em **F**
And I guess it s a might

You turn a blind eye

To the world in the sky

I didn't know in your lies
F
Above your head you hold so high

My eyes are wasted here tonight
C **Em** **F**
I never tried to get across the feeling
