Thru the Glass by Thirteen senses

I have a request. the chorus on this version is not exactly accurate. if anyone else knows that bit. SUBMIT IT!! btw the album is excellent

Cappo 2

intro: **E Am F C F G E**

Am
I take a walk, rain cloud, coat on
F C E
and the wind is blowing from the south
Am
I wanna climb a rock from bottom to top
F C E
Nothing is getting left behind

Am F C F G E

Am
I wanna hear your voice call me call out loud **F**

C E
When you talk to me I ll hear you out

Am
I wanna space it out
Too close move on out

F C
It s all around for you to see

E
It s all I wanna see
But there s such a lot of baggage

C
You got us into this

F
So get us out of this

D Dsus4 D
get us out of this

Dsus4 D
get us out of

C
You got us into this

F
So get us out of this

D Dsus4 D

get us out of this

get us out

F

oh get us out of this

C

oh get us out of this

F

E

oh get us out of

(Same as previous verses)

I wanna lose control look down scream out loud

Let the others sort it out

I wanna be impressed with everyone

Everyone give all the best

(**E Am F C F G E**)

(Same as chorus)

You got us into this

So get us out of this

get us out of this

get us out of

You got us into this

So get us out of this

get us out of this

get us out

oh get us out of this

oh get us out of this

oh get us out of
