100 Suns
Thirty Seconds To Mars

F#                C#
I believe in nothing,
D#m                    F#
Not the end and not the start
F#          C#
I believe in nothing,
D#m                       G#     A#
Not the Earth and not the stars

F#             C#
I believe in nothing,
D#m                 F#
Not the day and not the dark
F#          C#
I believe in nothing,
D#m                      G#     A#
But the beating of our hearts
F#          C#
I believe in nothing
D#m                      F#
One hundred suns until we part
F#          C#
I believe in nothing,
D#m                    G#     A#
Not in Satan, not in God
F#          C#
I believe in nothing,
D#m                    F#
Not in peace and not in war
F#          C#
I believe in nothing,
D#m                      G#      A#
But the truth of who we are
