**Thirty Seconds To Mars**

Intro 4x: **E A4**

**E** **A4**  
No warning sign, no alibi  
**E**  
We faded faster than the speed of light  
**A4**  
Took our chance, crashed and burned  
**E**  
No we ll never ever learn  
**A4**  
I fell apart, but got back up again  
**E A4**  
And then I fell apart, but got back up again yeah  
( **E A4 E A4** )

**E** **A4**  
We both could see, crystal clear  
**E**  
That the inevitable end was near  
**A4**  
Made our choice, a trial by fire  
**E**  
To battle is the only way we feel alive

**A4**  
I fell apart, but got back up again  
**E A4**  
And then I fell apart, but got back up again  
**C# B**  
And then I fell apart, but got back up again

**A4 B**  
Oh Way Oh Oh Way Oh  
**E A4**  
Oh Way Oh Oh Way Oh  
**A4 B**  
Oh Way Oh Oh Way Oh

( **E A4 E A4** )

**E** **A4**  
So here we are, the witching hour  
**E**  
The quickest tongue to divide and devour

**A4**

Divide and devour

**E** **A4**

If I could end the quest for fire

**E**

For truth, for love, for my desire

**A4**

My desire

**C#**

**B**

And I fell apart, but got back up again

**A4**

**B**

Oh Way Oh Oh Way Oh

**E**

**A4**

Oh Way Oh Oh Way Oh

**A4**
