

Dangerous Night
Thirty Seconds To Mars

Bm G
We burned and we bled, we try to forget

D
But the memories left are still haunting

Bm G
The walls that we built from bottles and pills

D
We swallow until we re not talking

Bm G D
(I, I, I, I, I) I, I am a man on fire

Bm G D
You, a violent desire

D G Bm G
What a dangerous night to fall in lo-o--o-o--o-ove

D G Bm N.C.
Don t know why we still hide what we ve be--co-o--o-o--o-ome (oh-oh, oh-oh)

D G
Do you wanna cross the line?

Bm G
We re runnin out of time

D G Bm
A dangerous night to fall in lo-o--o-o--o-ove

Bm G
Started a stranger, a lover in danger

D
The edge of a knife

Bm G
The face of an angel, the heart of a ghost

D
Was it a dream?

Bm G D
