Is this life?  
That we re living

**F**

Say the prayers of a thousand tongues

**A**

Is this love?  
Some new beginning

**G**

**F**

Or a night in our wildest dreams

**C**

Into the great wide open

**F**

Across a land of love and dreams

**A**

I will save your heart from breaking

**G**

**F**

Won t you stop, please

Raise your hands to the sky and praise

**A**

**F**

Time to lay down your arms

**A**

Let it out, let it out

**G**

Time to lay down your arms

**C**

Into the great wide open

**F**

Across a land of love and dreams
