The first part of the reef continues through verse muting!

Verse

Don t ever take a single second to breathe
 They re gonna send me on a murdering spree
 I cannot wait to dance upon your grave
 They don t even have a soul left to be saved
 But you believe when you re young

Chorus Chords **Em, G, D, Am**

Em

We swam among the northern lights

G

And hid beyond the edge of night

D

Waiting for the dawn to come

Am

And sang a song

Am

To save us all

Verse

I am alive, I m just playing dead
 I m gonna say what should have never been said
 The giants of the world are crashing down
 The end is near, I hear the trumpets sound

Em G

D

But you believe when you re young

Chorus Chords **Em, G, D, Am**

We swam among the northern lights

And hid beyond the edge of night

Waiting for the dawn to come

To save us all
