**Em Em/F# G/D C**  
I ve heard it said a million times  
that I should hold on tight to Jesus  
**Em Em/F# G/D C**  
But I took this road so far from Home  
and distance came between us  
**Am G D/F#**  
When I walked away  
**Am G D**  
I knew one day I d need your grace

**G D**  
So now you ll find me on my knees surrendering  
**Em C**  
Cause I know that I m really not so strong  
**G D**  
And now, I m done fighting for control  
**Em D C**  
Lord you can have this life that I ve been holding for so long  
**Em C**  
I m learning to fall  
**Em C**  
Let my world crumble

**Em Em/F# G/D C**  
You ran so fast to rescue me  
While I was barely breathing  
**Em Em/F# G/D C**
