[**G-D-Em**]

I don t wanna wait, no I don t wanna wait (x3)

Cadd9

For the endless summer

Took her out, took in the moonlight

Got lost in the stars in her eyes

And I m blinded by the light

She was this and that and everything in between
A secret word and I know the meaning
How could I go for so long without her, yeah

But there s a bleach blonde girl with the records on
And a smile on her face like she knows what s up
Whoa
Well if she don t care, then I don t care

She s a new tattoo
And I won t forget
Her sun kissed skin
Shining on forever
I don t wanna wait for the endless summer
I don t wanna wait, no I don t wanna wait (x3)
For the endless summer

~ [G - D - Em - Cadd9] ~

It s been a long year
Been a long night
Took a shot at love for the first time
I can t wait any longer, wait any longer

But there s a bleach blonde girl with the records on
And a smile on her face like she knows what s up
Whoa
Well if she don t care, then I don t care

She s a new tattoo
And I won t forget
Her sun kissed skin
Shining on forever
I don t wanna wait for the endless summer
I don t wanna wait, no I don t wanna wait (x3)
For the endless summer

I don t wanna wait, no I don t wanna wait (x3)
