[A-E-F#m]

I don t wanna wait, no I don t wanna wait (x3)

Dadd9

For the endless summer

Took her out, took in the moonlight Got lost in the stars in her eyes

And I m blinded by the light

She was this and that and everything in between A secret word and I know the meaning How could I go for so long without her, yeah

But there s a bleach blonde girl with the records on And a smile on her face like she knows what s up Whoa

Well if she don t care, then I don t care

She s a new tattoo
And I won t forget
Her sun kissed skin
Shining on forever
I don t wanna wait for the endless summer
I don t wanna wait, no I don t wanna wait (x3)
For the endless summer
