

## Everywhere Everything This Century

\*My first tab  
\*I like this song very much i always play this )  
\*For the 1st verse it should be plucked and if you can change High E string to D and B  
string to A (for it to soundâ€¦ nice )  
\*Sean do a different form of chords but itâ€™s still the same  
\*I have this through his (sean) video check it out
