..No I don t got money  
But I got the time honey  
If you ll wait for me to turn this all around  
I m in debt to you always  
As we make the same mistakes  
Just know jealousy s no longer in the way

Chorus  
**Bb - Gm Dm Eb7 C Eb7 F**

Let s learn to put the past behind us  
Let love push through the door and find us  
Keep your heart wide open  
So I can fix what s broken  
Stay around maybe I can be a better me

We could sprawl across our floor  
Staying up until it s 4  
Make your eyes my entertainment for the night  
Make a home to call our own  
I know it s nothing yet but we can make it great  
Cuz we would never be alone
