Like A Million Lights This Love

The Acoustic version is played with the guitar tuned a half-step down in case anyone was wondering.

Intro: E C#sus2 E Asus2-Asus2(maj7)-Asus2

E C#sus2 Bsus2

E Bsus2

Well you s-s-stutter at the thought of being taken back

C#sus2 Asus2

To all the times we would grow to know we never should've let this go (Whoa-oh-oh-oh)

E Bsus2

We used to lay and watch the sun go down (Beneath this town)

C#sus2

You sent the shivers through my core

Asus2

I was begging for your love and more

Asus2 (maj7) Bsus2 C#sus2

Thinking back to when everything fell away

Asus2 Asus2(maj7) Bsus2

I found a little piece of comfort in this song

And we would sing

Е

If I could start from the beginning

Bsus2

Create the oceans and the cities

C#sus2

Light the sky with a million lights

Illuminate the darkest nights

Asus2 [Intro]

If I could start from the beginning - Woah oh

E Bsus2

Well you t-t-told me that everything would be ok

C#sus2

When we'd stay up late and conversate

Asus2 (E)

on all our love we had at stake (Woah-oh-oh)

E Bsus2

and now I lay and watch the sun, but it's not much fun

C#sus2

â€~Cause I've never been alone before

Asus2

Not begging for your love no more

Asus2 (maj7) Bsus2 C#sus2

Thinking back to when everything fell away

Asus2 Asus2(maj7) Bsus2

I found a little piece of comfort in this song

[Chorus]

C#sus2 Bsus2 Asus2

The Moon will rise and the sun will fall

C#sus2 Bsus2 Asus2

All to the beat of our favorite songs

C#sus2 Bsus2 Asus2 E

We'd be the king and queen of this never ending dream

C#sus Bsus2 Asus2

If we could start from the beginning

C#sus2 Bsus2 Asus2

(If we could start from the beginning)

C#sus2 Bsus2 Asus2 E C#sus2

So do I let go of everything that I know?

Bsus2 Asus2

Reoccuring dreams; Its so routine

Just stay here with me!

C#sus2 Bsus2 Asus2 E

These lonely summer days and the time we spent away

C#sus2 Bsus2 Asus2

If we could start from the beginning

Chorus x2

End on E
