Chasing The Wind
This Providence

```
------------------------------------------------------------------------
                       Chasing the Wind - This Providence
------------------------------------------------------------------------
```

A song from their new album hf and check out my other tabs, they re all great
songs =D

Tuning: standard.

Ok so the whole song is made up of these chords.

```
   Bb    Db   D#m   Ab    F#    B
e|-6---4---6----4-----2---7-------------------------------------------|
B|-6---4---7----4-----2---7-------------------------------------------|
G|-6---6---8----5-----3---7-------------------------------------------|
D|-8---6---8----6-----4---9-------------------------------------------|
A|-8---4---6----6-----4---9-------------------------------------------|
E|-6-----------4-----2---7-------------------------------------------|
```

VERSE 1:

Bb   **Db**   **D#m**   **Ab**
I am floating away, lost in a space of my own,
    Bb   **Db**   **D#m**   **Ab**
And Iâ€™m floating in space, lost in hallucinations,
 Bb   **B**
 You should have known I was dangerous,
 D#m   **Ab**
 I found the keys on the stairs,
Bb   **B**
 I hardly made it through the front door,
D#m   **Ab**
I was wondering if anyone cared,

PRE-CHORUS:

Bb   Db
Oh, oh,
D#m   **Ab**
Weâ€™ll paint a tree house in a weeping willow,
Bb   Db
Oh, oh
D#m   **Ab**
This is where I go,

CHORUS 1:

Db
 Nothing matters,
Bb   **Ab**   **F#**
 Iâ€™m just chasing the wind,
Db
Nothing matters,
Bb   **Ab**   **F#**
Iâ€™m just chasing the wind,
   Bb   **Ab**   **F#**
If I canâ€™t have you darling,

VERSE 2 + CHORUS 2: PLAY IN THE SAME WAY

I was just passing your house but,
Sorry I didnâ€™t ring, you think I could come in?
I was somewhere taking float, as high as a kite cut from a string,
You should have known I was dangerous,
but fate had a way with these dreams,
Like vultures that circle the carcass,
Or the demons that wait to feed on our sins,

Oh, oh,
Weâ€™ll paint a treehouse in a weeping willow,
This is where I go,

Nothing matters,
Iâ€™m just chasing the wind,
Nothing matters,
Iâ€™m just chasing the wind,
If I canâ€™t have you darling,

BRIDGE:

Bb
Donâ€™t take me home,
 Db
Donâ€™t let me go,
    Ab   **F#**
Coz I should not be alone,
Bb
Donâ€™t take me home,
 Db
Donâ€™t let me go,
     Ab   **F#**
Coz I should not be alone,
D#m   **F#**   **D#m**   **F#m Ab F#m Ab**
I should not be alone, I should not be alone,

Db
Nothing matters,
Bb   **Ab**   **F#**
Iâ€™m just chasing the wind,

Db
Nothing matters,
Bb   **Ab**   **F#m**
I’m just chasing the wind,
   Bb   **Ab**   **F#m**
If I can’t have you darling.

END.
