

**My Beautiful Rescue
This Providence**

okay this is my first tab so here it is.
---this providence:::My beautiful rescue:::---

this is pretty much the exact chords in the song but his guitar is tuned a half-step down...so instead i used a capo on the first fret

listen to song to get the strum pattern.
chords used: f (33210)

- A
- Am
- C
- C9
- Am7
- D9
- G

~~~~~ = let ring.

.....CAPO 1.....

Verse 1::

**F Am~~~~~ C**  
Ive been jumping from the tops of buildings

**C**  
For the thrill of the fall

**F Am~~~~**  
Ignoring sound advice

**F Am C~~~~ C**  
and any thought consequence

**C Am~~~~~**  
My bones are shattered

**C~~~~~**  
My pride is shattered

**Am F~~**  
And in the midst of this selfsinflicted pain

**C Am7**  
with every single word i withhold

**D9 F**

i can see my beautiful rescue

**Am F**

im falling more in love with you

**C Am7**

with every single word you say

**Am F C**

im falling head over heels for you

:::chorus::

**F C Am**

Ive been dancing on the tops of buildings

**F C**

At the top of my lungs my singing you a song

**F Am**

dont you leave me alone

:::verse 2:::

**C Am**

My bones were shattered

**C F**

My pride lay shattered

**Am C F**

well il trample my pride and tell the whole world

**C**

to dance with me

:::Chorus:::

**Am F**

im falling more in love

**C Am7**

with every single word

**F**

i will fall

**Am F**

im falling more in love

**C Am7**

with every single word you say

**Am F C**

well im falling head over heels for you

**F C**

again. well im carying

:::::verse 3:::::

**D9 F**

Iâ€™m crying out

**C Am7**

Wash my hands these bloody hands Lord

**D9 F G**

Open my mouth and Iâ€™ll sing (woah oh oh)

::::bridge::::

**D9 F**

**C Am7**

**D9 F G** x3

**Am F**

::::chorus::::

im falling more in love

**C Am7**

with every single word

**F**

i will fall

**Am F**

im falling more in love

**C Am7**

with every single word you say

**Am F C**

well im falling head over heels for you

**F C Am**

Ive been dancing on the tops of buildings

**C**

With you
