This Wild Life

[Intro]

D A F#m A (x2)

[Verse 1]

D **A**
I m jealous of the life you re living
F#m **E**
I never made the best decisions
D **A**
I learn the hard way or not at all
F#m **E**
I wouldn t answer when you called

D **A**
I never know where I am heading
F#m **E**
I feel like there s something missing
D **A** **F#m**
I made my choice and found my voice
E
I never know what s down this road

[Chorus]

D **A**
Sometimes when I drive
F#m **E**
Southbound windows down the 405
D **A** **F#m**
The summer air, we re singing loud
E
We can take this road almost anywhere

D **A** **F#m**
And sometimes, yeah, I m fine
E
I m Northbound hoping that I ll be alright
D **A** **F#m**
I need you here right by my side
E
I m learning how to really live my life

[Interlude]

[Verse]

D **A**
I m moving slower now than ever

F#m **E**
I try to hold it all together
D **A** **F#m**
My eyes are wide yet my mind is tired
E
I fall asleep in between your lines

D **A** **F#m**
I wonder, was it worth this last year?

E
If things get worse will you still be here?

D **A** **F#m**
I made my choice and found my voice

E
Will you still be here if I go?

[Chorus]

D **A** **F#m**
Sometimes when I drive

E
Southbound windows down the 405

D **A** **F#m**
The summer air, we re singing loud

E
We can take this road almost anywhere

D **A** **F#m**
And sometimes, yeah, I m fine

E
I m Northbound hoping that I ll be alright

D **A** **F#m**
I need you here right by my side

E
I m learning how to really live my life
