

Headfirst

This Wild Life

[Verse 1]

G
You know I hate the fact
D **Bm** **A**
That you could have me back in a heartbeat
A **G** **D**
Yeah we made a pact that we would hold on tight
Bm **A**
But you left me hanging on to nothing

[Pre-Chorus]

Bm **A** **D**
It s nothing new missing you
G
I brought my tools to try and fix you
Bm **A** **D**
Yeah I m a fool for ever loving you
G
But here we go again

[Chorus]

D
Headfirst to disaster
N.C
I m falling faster than ever

G **D** **A**

[Verse 2]

G
You know I hate the fact
D **Bm**
That you could have me back in a heartbeat
G **D**
Yeah I loved your dad, the way he took me in
Bm **A**
Like the son he never had, with no hesitation

[Pre-Chorus]

Bm **A** **D**
It s nothing new missing you
G
I brought my tools to try and fix you
Bm **A** **D**
Yeah I m a fool for ever loving you
G
But here we go again

[Chorus]

D **Bm**
Headfirst to disaster
D
I m falling faster than ever
G **Bm**
Headfirst to disaster
A **D**
I m falling faster, faster than ever
G **Bm** **A**
Headfirst to disaster, I m starting to master
D
The change of the weather
G **Bm**
Like a hurricane, a chance of rain
A **Bm**
I m ready for a thunderstorm, a downpour
G **Bm** **A**
Headfirst to disaster, I m falling faster
Bm **A** **G**
Than the sky is collapsing

[Bridge]

G **D** **Bm**
You never returned all the love that you took
A
It s hard letting go of the afterglow
G **D** **Bm**
You never returned like a library book
A **D**
You checked out months ago, years ago
G **D** **Bm**
From a payphone, calling it off
A
Cause you don t have the guts

You ve got no backbone
G **D** **Bm**
From a payphone, called to collect
A
All the love that you kept after the afterglow

G **D** **Bm** **A**

A **G**
After the afterglow

G **D** **Bm** **A**

A
After the afterglow
