If you can t make it out from there, here are the lyrics with the chords.

[Intro/Whistle]

C E7

You know you never seem to mind

Am G F

When I show up late in this broke down car of mine

C G

To pick you up and take you out

C E7

We make the best of our short time

Am G F

And though it s not enough you assure me that it s fine

With windows down let s go for a ride

[Chorus]

C

Cause when I mess up, you never give up your love

Am F

Yeah I m a fuck up, but you swear I m enough

C G F Fm

And all I know that s true, is just how much I miss you

G G

Hold up, you re running away

Am E

I swear I told ya, it gets better today

C G F Fm (Once, Stacatto)

And all I know that s true, is just how much I love you

[Intro/Whistle]

C E7

You know you never seem to mind When I get off late and wanna stay in for the night We ll watch some Sunny it ll be alright And when my world is upside down You re always planted firmly, so firmly on the ground We ll lay together without a sound [Chorus] Cause when I mess up, you never give up your love Yeah I m a fuck up, but you swear I m enough F And all I know that s true, is just how much I miss you Hold up, you re running away I swear I told ya, it gets better today Fm (Once, Stacatto) And all I know that s true, is just how much I love you [Intro/Whistle] You know you never seem to mind G When I get off late and wanna stay in for the night We ll watch some Sunny it ll be alright C And when my world is upside down You re always planted firmly, so firmly on the ground We ll lay together without a sound
