C

I was hoping that you d stay

F

Cause tonight I wanna stay up late

C

I was hoping that you d say

C

I m still hoping that you re happy

F

Cause you know I can barely stand up straight

C

I m still hoping that I can be,

F

everything that you would ask of me

C

but am I

F

long gone

too far from your heart

C

I fell apart

C

I know you don t feel this way but

F

I ll try to convince you so

Am

if it s lost

G

or if it s fate

F

I hope you pick up this late

C

I know you don t feel this way but

F

I ll try to convince you so

Am

if it s lost

G

or if it s fate

F

I hope you pick up this late
