Great song.

Tab is not perfect, feel free to improve it.

Use fingerpicking.

**Am** **Cmaj9** **C**

Sitting on a job from 9 to 5

**G**

**F**

Cos all I ever do is stay alive

**Am**

**Cmaj9**

**C**

Thinking to myself is it worth it?

**C**

I really need some comfort from you now

**G**

**F**

Cos Iâ€™m not used to wake up in this hour

**Am** **Cmaj9** **C**

Long before the morning seems started

**G** - **Fmaj7** - **Am** - **Cmaj9** - **C** - **G** - **Fmaj7** - **Am**

**C**

When Iâ€™m home from work itâ€™s all a drag

**G**

**F**

Iâ€™m so tired of always being sober

**Am** **Cmaj9** **C**

I just canâ€™t wait until this day is over

**C**

Cigarettes is killing me, I know

**G**

**F**

Itâ€™s just one way of many to go

**Am**

**Cmaj9**

**C**

I donâ€™t see why I should even bother

**G** - **Fmaj7** - **Am** - **Cmaj9** - **C** - **G** - **Fmaj7** - **Am** - **Cmaj9** - **C**

**C**

Starting saking(?) every time I sleep

**G**

**F**

Maybe itâ€™s the secrets that I keep

**Am** **Cmaj9** **C**

I canâ€™t even seem to stop the wondering

**C**

So then when you tell me where to go

**G**

**F**

Iâ€™am so tired of being on my toes

**Am**

**Cmaj9**

**C**

I just want to be yours until itâ€™s over
