

Give Up The Ghost
Thom Yorke

hey guys

fell in love with the song.. looked for the tab.. there was none so i figured it out!

took a while so enjoy!

btw its only a useful tab if you have a good sense of rhythm for how the song goes, i ll

provide chords, no timing.. it d take me a week to tab the timing.. i mean, what the

is a semi-crochet.. well here s the vid clip i figured it out from

<http://www.youtube.com/watch?v=QIHFlt-h7fc>

song is in drop D but can easily be played in e standard.

the chords!

D: xx0232

Dsus2: xx0230

Dsus4: xx0233

Am7: x02010

Am7*: x02013

D*: xx0xxx (Just play the d string) // or 0xxxxx if playing in Drop-D

A*: x0xxxx

Bm: x24432

C/f: 132010 // or 332010 in drop-d [a normal C (x32010) is fine, the F root just adds depth]
