

Suspirium
Thom Yorke

[Intro]

Amaj7 F# A Amaj7
G#7sus4 F# A C#

[Verse 1]

Amaj7 F# A Amaj7
This is a waltz thinking about our bodies
G#7sus4 F# A C#
What they mean for our salvation
Amaj7 F# A Amaj7
With only the clothes that we stand up in
G#7sus4 F# A C#
Just the ground on which we stand
Amaj7 F# A Amaj7
Is the darkness ours to take?
G#7sus4 F# A C#
Bathed in lightness, bathed in heat

[Middle Eight]

G#m A G#m F#m Amaj7
All is well, as long as we keep spinning
G#m A G#m F#m Amaj7
Here and now, dancing behind a wall
G#m A G#m F#m Amaj7
When the old songs and laughter we do
G#m A G#m F#m Amaj7
Are forgiven always and never been true

C# Amaj7

[Verse 2]

Amaj7 F# A Amaj7
When I arrive, will you come and find me?
G#7sus4 F# A C#
Or in a crowd, be one of them?
Amaj7 F# A C#
Wore the wrong sign back beside her
G#7sus4 F# A C#
Know tomorrow s at peace

G#m A G#m F#m Amaj7
