&#8220;a love story&#8221;  
tabbed by Sivert Henriksen

**Fmaj7**

honey i told you

**C/G**

that these things never last

**Fmaj7**

and one of these days now

**C/G**

you`ll start dreaming of the past

-----Ref-----

**G**

**Dm**

**Fmaj7**

when life was once too short for all the things we`d do and the shots we`d call

**Fmaj7**

and endless summer without a fall

**G**

when promises were meant to keep

**Dm**

and nighttime wasn`t meant for sleep

**Fmaj7**

a love story at it`s peak

-----Vers-----

**Fmaj7**

doesn`t it feel good

**C/G**

to know that you`ve been loved

**Fmaj7**

and doesn`t it make you

**C/G**

laugh when you think of

-----Ref-----

**G**

the day when we all got lost on the old mans

**Dm**

farm just trying to get across

**Fmaj7**

it was only then i knew what love was

**G**

**Dm**

sunday mornings that never ended and hangovers that never mended

**Fmaj7**

a love story at it`s peak

The End
