This Year - Thomas Dybdahl

Title: This Year

Artist: Thomas Dybdahl

Album: SCIENCE

Ok, so most of the chords are a bit more complicated than as written below, but this is about as good as it gets if you just want to play it acoustically or need something to elaborate on. Cheers!

Opening: **D, G, A, Hm, Em7, A/Asus4, D**

**D**

Here comes wintertime

**G A Hm**

Like a long and dark night

**Em7 A/Asus4**

Man, I feel so unprepared this time

**D**

**G**

No stored heat just the smell of defeat and deceit

**A Hm**

Rolled in to one and then put on repeat

**Em7 A/Asus4**

I really need to get a hold of myself If Iâ€™m to get back on my feet

Gadd13

â€™Cause this year I got my heart broken

**Hm**

Fears awoken, my beliefs shaken and my dignity taken

**Em7**

But am I wrong to assume that the world is absurd

**A Hm**

When religion comes first and knowledge comes third

Gadd13

And thereâ€™s a fast river

**A Hm**

thatâ€™s a slow killer and a cause for bonuses at Phizer

**Em7**

But advice her that she wonâ€™t get her pills if we donâ€™t pay her bills

**A/Asus4 D**

And itâ€™s a sad story but greed is our top skill

**D G A Hm Em7**

So far so good

**A/Asus4**

Except for a vague feeling that I should

**D G A Hm**

Not expect calls, family dinners, long vacations or pictures on bedroom walls

**Em7 A/Asus4**

These are things I really donâ€™t need at all

Gadd13

I just hope sheâ€™s a heartbreaker,

**Hm**

Soulshaker and a lovmaker or a damn good faker

**Em7**

â€™Cause I really donâ€™t care about these little things

**A Hm**

That make a household work or makes her things rings

Gadd13

And itâ€™s a long story with no glory

**A Hm**

Just mistaken for an undertaking that doesnâ€™t need replicating

**Em7 A/Asus4**

Oh, these are things I really donâ€™t need at all

Interlude: **G, Hm, Em7, A, Hm, G, A, Hm, Em7**

Gadd13

â€™Cause this year I got my heart broken

**Hm**

Fears awoken, my beliefs shaken and my dignity taken

**Em7**

But am I wrong to assume that the world is absurd

**A Hm**

When religion comes first and knowledge comes third

**Gadd13**

And thereâ€™s a fast river

**A Hm**

thatâ€™s a slow killer and a cause for bonuses at Pfizer

**Em7**

But advice her that she wonâ€™t get her pills if we donâ€™t pay her bills

**A/Asus4 D**

And itâ€™s a sad story but greed is our top skill
