```

**G** **Cadd9**  
You caught my teardrops in your eye lid  
**G** **Cadd9**  
You gave my strength to say hello  
**Em** **G** **Cadd9**  
You found me stranded on your island  
**Em** **G** **Cadd9**  
It felt like I was coming home.  
**Em** **G** **Cadd9**  
And I know that you re going places  
**Cadd9**  
Take a look  
**Em** **G** **D**  
I m right behind

**Em**  
Love is you  
**G** **Cadd9**  
Seeing things like you do  
**G/B** **Em**  
Waking up next to you  
**G**  
Wanna give you all,

**Cadd9**        **G/B**  
all that i am,  
**Em**  
Love is you  
**G**                                **Cadd9**  
You turn this world into  
**G/B**                                **Em**  
Something I never knew  
**G**                                **Cadd9**  
A beauty surrounds you  
**G/B**        **Em**  
Love is you.

You let me dive in other waters  
I closed my eyes, I learned to see  
And I donâ€™t want to waste tomorrow  
And I won t if youâ€™re there with me

Love is you  
Seeing things like you do  
Waking up next to you  
Wanna give you all  
All that I am  
Love is you  
You turn this world into  
Something I never knew  
Beauty surrounds you  
              **Em**    **G**    **Cadd9**    **G/B**  
Love is you  
              **Em**    **G**    **Cadd9**    **D**  
Love is youâ€|

**Em**  
Youâ€™re my everything,  
              **G**  
My everything,  
              **Cadd9**  
My everything,  
              **G/B**                                **Em**  
My world just falls apart  
              **G**                                **Cadd9**        **G/B**  
When youâ€™re not here.

**Em**                                **G**                                **Cadd9**  
You caught my teardrops in your eyelid  
**Em**                                **G**                                **Cadd9**        **D**  
It felt like I was coming home.

Love is you  
Seeing things like you do  
Waking up next to you  
Wanna give you all

All that I am.  
Love is you  
You turn this world into  
Something I never knew  
A beauty surrounds you  
Love isâ€¦|

Youâ€™re my everything  
My everything,  
My everything,  
My world just falls apart  
When youâ€™re not here  
Love is youâ€¦|

I Know it s not 100% right, but it sounds very close!
