

Cardboard Heart

Thomas Rhett

[Intro]

G D G

[Verse 1]

G **D** **G**
We carved our initials that old live oak tree
 D **G**
Your hand next to my hand in the brand new concrete
 D
Your love changed just like the weather
D
So cold, girl, I oughta wear a sweater
G **Em** **G**
Who knew that forever could be so tempo-rary?

[Chorus]

Em **C**
Sometimes I wish I had a cardboard heart
G **D**
It wouldn't hurt me when you tore it apart
Em **C**
And movin' on wouldn't be so dang hard
 G **Em** **G**
If I only, if I only had a cardboard heart

[Post-Chorus]

G **D** **G**
Fold it up, I could just fold it up and move on, yeah
G **D** **G**
Fold it up, I could just fold it up and move on

[Verse 2]

G **D** **G**
There ain't no prescription for this breakup drama
 D **G**
No kind of physician that could fix this trauma
D
Now she's on a plane to Hawaii
D
First class with a brand new guy
G **Em** **G**
Who knew she could play me like an old ukulele?

[Chorus]

Em **C**
Sometimes I wish I had a cardboard heart
G **D**
It wouldn't hurt me when you tore it apart
Em **C**
And movin' on wouldn't be so dang hard
G **Em** **G**
If I only, if I only had a cardboard heart

[Post-Chorus]

G **D** **G**
Fold it up, I could just fold it up and move on, yeah
G **D** **G**
Fold it up, I could just fold it up and move on

[Bridge]

G
Oughta head down to the UPS
G
Grab a box, cut it out, stick it on my chest
D
I know it ain't real, but it feels no pain
G
Now sing along with me if you feel the same

[Chorus]

Em **C**
Sometimes I wish I had a cardboard heart
G **D**
It wouldn't hurt me when you tore it apart
Em **C**
And movin' on wouldn't be so dang hard
G **Em** **G**
If I only, if I only had a cardboard heart

[Post-Chorus]

G **D** **G**
Fold it up, I could just fold it up and move on, yeah
G **D** **G**
Fold it up, I could just fold it up and move on
G **Em** **G**
Fold it up, I could just fold it up and move on, yeah
G **Em** **G**
Fold it up, I could just fold it up and move on
