Capo 1

(G)

Well I (G) smoke and I (D) fish
But (Em) not near enough to (F) satisfy an itch
Of a (G) girl, understand (D)
I need (Em) something to (F) do with my (G) hands

I don't (G) work, on a (D) car
And I'm as (Em) bad at pool as I (F) am at throwin' darts
And (G) golf, not a (D) fan
But I need (Em) something to (F) do with my (G) hands

(Chorus)

(C) So maybe I could (G) stick 'em in your pockets
(D) Run 'em through your hair
And (G) we can get to rockin'
(C) There you are and (G) baby, here I (D) am
And I need (Em) something to (F) do with my (G) hands

I can (G) play you a (D) song
On this (Em) old guitar, if it (F) turns you on
If you (G) want, we could (D) dance
But I need (Em) something to (F) do with my (G) hands

Chorus

(C-G) x3, (D)

Top (G) off, in my (D) jeep
And we can (Em) go for a ride and I can (F) drive with my knees
I'll (G) behave, best I (D) can
But I need (Em) something to (F) do with my hands

(C) So maybe I could (G) stick 'em in your pockets
(D) Run 'em through your hair
And (G) we can get to rockin'
(C) There you are and (G) baby, here I (D) am
(C) Yeah maybe I could (G) stick 'em in your pockets
(D) Run 'em through your hair
And (G) we can get to rockin'
(C) There you are and (G) baby, here I (D) am
And I need (Em) something to (F) do with my (G) hands
I need (Em) something to (F) do with my (G) hands
With my hands

Something to do with my hands
