

**Beautiful  
Thornley**

[Chords]

C#m = C#m/E (1st inversion)

G# = G#/D# (2nd inversion)

[Verse 1]

**A** **E** **B**  
Wake up, medicate, again  
**A** **E** **B**  
Ever after is a friend  
**A** **E**  
But you and I we get so high  
**B**  
We never quite came down  
**A** **E** **B**  
Ever after again

[Chorus]

**C#m** **E** **B**  
What could be more beautiful than you  
**A** **G#**  
And I falling from grace  
**C#m** **E**  
All the things we ll never know  
**A** **A** **G#**  
So beautiful they re slipping away

[Verse 2]

**A** **E** **B**  
Light my past on fire  
**A** **E**  
Spell it right in black and white  
**B**  
A coward s here for hire

[Chorus]

**C#m** **E** **B**  
What could be more beautiful than you  
**A** **G#**  
And I falling from grace  
**C#m** **E**  
All the things we ll never know  
**B** **A** **G#**  
So beautiful they re slipping away

**A** **B**  
It s beautiful (slipping away)

[Bridge]

**A** **E** **B**  
It s time to pack up and vacate

**A** **E**  
I m so fed up of closing up

**B**  
And running from myself

[Chorus]

**C#m** **E** **B**  
What could be more beautiful than you

**A** **G#**  
And I falling from grace

**C#m** **E**  
All the things we ll never know

**B** **A** **G#**  
So beautiful they re slipping away

[Outro]

**A** **E** **B**  
Wake up, medicate, again

**A** **E** **B**  
Cause ever after is my friend
