

G#

I ve never been that all american

C#m A

There s nothing left worth killing for

D#

and I just cant take this anymore

G#

Somebody needs to take a holiday

[Chorus]

C#m A

I m breaking down the door

E

I m sounding the alarm

G#

It s better now than later

C#m A

While you never take the wheel

E

Tell me how it feels

G#

underneath the radar

C#m A

Maybe we just need a holiday

D#

we just need a holiday

G#

Maybe we just need a holiday

We just need a holiday

C#m A

Maybe we just need a holiday

D#

We just need a holiday

G#

Maybe we just need a holiday

We just need a holiday

C#m A

We just need a holiday

D#

We just need a holiday

G#

We just need a holiday!

[Chorus]

C#m A

Weathering the storm

E

I m sounding the alarm

G#

It s better now than later

C#m

A

While you never take the wheel

E

So tell me how it feels

G#

underneath the radar

C#m

A

I m breaking down the door

E

I m sounding the alarm

G#

It s better now than later

C#m

A

While you re-invent the wheel

E

Just tell me how it feels

G#

underneath the radar

[Outro]

C#m A E G#
