

There are many ways to fall (you might change your mind),  
Take your time, change your mind (take your time),

(chorus)

**C**  
Think It over, might not be today,  
**Bm** **Am7**  
You ll know what to do,  
**G G/F# C**  
When it all turns around,  
**C**  
Think it over, might not see the way,  
**Bm** **Am7**  
Right in front of you,  
**G F**  
But it all, comes around,

(lead chords - **G - F - G - Bm**)

**Em** **Cadd9**  
Take your time, change your mind  
**C**  
Think It over, might not be today,  
**Bm** **Am7**  
You ll know what to do,  
**G G/F# C**  
When it all turns around,  
**C**  
Think it over, might not see the way,  
**Bm** **Am7**  
Right in front of you,

But it all, yes it all
