Be your earthbound angel

I may not leave you and fly

Coz the skyâ€™s arenâ€™t mine

I belong here as an earthbound angel

To inspire, to guide and share

If I just donâ€™t give up on trying

To leave this world behind

Then I could choose to soar above the sky

And be one with the flight of angels

But I am here in this world for one purpose

Be with you and be your guide

To serve, to love and to care

Be with you and be your guide and

Be your earthbound angel
