Already Home
Thousand Foot Krutch

Already Home - Thousand Foot Krutch   key: A

Verse 1:
```
F#m                 E
```
The trouble with truth is it never lies
```
C#m                          D
```
And the trouble with wrong that its never right
```
F#m                 F          E     D#   D
```
So I rest my head under your light

```
F#m                 E
```
The trouble with peace is it never fights
```
C#m                    D
```
And the trouble with love€™s that it€™s always blind
```
F#m                      F          E
```
I want to walk to the edge of it tonight
```
D#      D
```
And I fall down

Chorus:
```
A                        E
```
I am on my knees cause You€™re everything I need
```
        F#m              E           D
```
And I ve made a mess of myself on my own
```
A                        E
```
Well I am on my face and I€™m calling out Your name
```
    F#m           E          D
```
And I won€™t runaway cause I€™m already home

Verse 2:
```
F#m                 E
```
The trouble with tears is that they dry
```
C#m                    D
```
And the trouble with faith made me wanna cry
```
F#m                   F             E   D#   D
```
I ve never felt so much like I€™m alive

```
F#m                 E
```
I wanna open my eyes and see Your face
```
C#m              D
```
If I have to wait a thousand days
```
F#m                     F             E
```
I d still be right here right next to You
```
D#        D
```
 And I fall down

(Chorus)

Chorus 2:
A
And I won't runaway
E
I won't runaway
F#m   **E**
I won't runaway
        D
'Cause I'm already home
