Thousand Foot Krutch

Breathe You In (Acoustic) â€” TFK

Capo 1
Power chords sound nice

Intro: **A E D F#m**

Verse 1:

A
Taking hold, breaking in
E
The pressures on, need to circulate
D
Mesmerized and taken in
F#m
Moving slow, so it resonates
A
It s time to rest, not to sleep away
E
My thoughts alone, try to complicate
D
I ll do my best, to seek you out
F#m
And be myself, and not impersonate

Pre-Chorus:

C#m **D** **A**
I tried so hard to not walk away
 E **Bm**
And when things don t go my way
 D
I ll still carry on and on just the same

Chorus:

A **E**
I ve always been strong
 F#m
But can t make this happen
 D
Cause I need to breathe, I want to breathe you in
A **E**
The fear of becoming
 F#m
I m so tired of running
 D (Fm into Bridge)
Cause I need to breathe, I want to breath you in

I want to breathe you in

Verse 2:

A

I m going in, so cover me

E

Your compass will, help me turn the page

D

The laughing stock, I ll never be

F#m

Because I won t let them take me

(Pre-Chorus and Chorus)

Bridge:

Bm **D** **A** **E**

Took awhile to see all the love that s around me

Bm **D** **A** **E**

Through the highs and lows there s a truth that I ve known

Bm **D**

And it s you

(Chorus)

A **E**

I want to breathe you in

F#m

I want to breathe you in

D

I want to breathe you in

A

I want to, I want to

E

I want to breathe you in

F#m

I want to breathe you in

D

I want to breathe; I want to, I want to

A **E**

Wanna breathe

F#m **D**

I wanna breathe

A **E**

I wanna breathe

F#m **Fm** **A**

I wanna breathe
