

Push
Thousand Foot Krutch

[Intro]

Fm G# Cm Eb

[Verse 1]

Fm

This world can't hold us, you can't mess with soldiers

G#

There's no cell big enough to hold us

Cm

We came to be a wrecking ball to these boulders

Eb

Know this, I ain't scared of these cobras

Fm

Over time, they've tried to just fold us

G#

They thought they could mess with this focus

Cm

But there's no room for these locusts

Eb

Cause real faith's belief without borders

Hold this

[Pre-Chorus]

Fm G#

We yell, but no one hears

Cm Eb

We persevere, as we approach the line

Fm G# Cm

We march, for all those fears, that kept us here

Eb

This time they're left behind

G#

Acting like they don't notice

G#

But they're just mad because they can't mold us

Bb

Told you never underestimate soldiers

Bb

Cause you can build a thousand walls

Eb

You can't hold us

[Chorus]

Fm G#

If we just keep running away

Eb

We ll never make it alive

G#

Bb

Until we stand and we fight

Fm

G#

Aim, fire, and blow it away

Eb

We re storming enemy lines

G#

Bb

Leaving no one behind

[Verse 2]

Fm

This rock can t hold us

Fm

Cause the light has shown us

G#

No fear s big enough to own us

Cm

We were never meant to fit in these folders

Eb

Know this, I ain t scared of these posers

Fm

Over time we all face opponents

G#

They thought they could mess with this focus

Cm

They forgot, the end of the climb s the coldest, known as

Eb

Life s a battlefield of moments, hold this

[Pre-Chorus]
