The Flame In All Of Us
Thousand Foot Krutch

Incredible song. Chords could probably be chosen differently, just my opinion.
TFK+FM Static rock

Intro: **Dm   C A#** x2

Verse 1:
```
Dm                         Cm          Dm
   This world has taken me by storm
              C                      Dm
It makes me feel like running
                 C                Dm
This place is making me transform
          C
until I feel like nothing
```

Prechorus:
```
Dm                              A#             C
   It s the strenght in you and me
          A                   Dm
that surrounds everything
           A#                    C
The way you look out for me
              A
The way you burn
```

Chorus:
```
         F
It s the flame
    Am             Dm
in all of us the same
      C
that makes us feel
      F
This flame
    Am             Dm
in all of us the same
        C
that makes us feel it
```

Repeat Intro: **Dm   C A#** x2

Verse 2:
```
Dm             C             Dm
   We are the youth of yesterday
                 C              Dm
We brought you pain and sorrow
                 C                          Dm
```

```
That s what they say but they paved away
             C
We are the new tomorrow

Prechorus 2:
Dm                          A#          C
   It s the strenght in you and me
          A
that surrounds everything
Dm                A#                 C
   The way you look out for me
             A
The way you burn

Chorus 2:
         F
It s the flame
    Am              Dm
in all of us the same
      C
that makes us feel...
       F
This flame
    Am              Dm
in all of us the same
        C
that makes us...
           F
It s the flame
    Am              Dm
in all of us the same
       C
that makes us feel...
       F
This flame
    Am               Dm
in all of us the same
        C
that makes us feel it

Bridge:
          F                   A
It s the flame in all of us
              Dm                C
that makes the change in all of us
              F                 A   Dm
that takes the blame in all of us
      C
and still keeps it alive
         F                   A
It s the flame in all of us
              Dm                C
that makes the change in all of us
```

```
                F                 A7  Dm
that takes the blame in all of us
    C
and still keeps it alive
