I m a function in need of x

I m never first but I m always next

G#m

And we stare in our eyes

Ε

Never blinking and going dry

G#m

Do you care more than I

And if we trace back the time

Е

Who began with the first line?

In any case it s not mine

I ll be the gear between your teeth

F# G#n

Spring me open, I react

E B

But can I find the zero point I need?

F#

G#m

Can I change it all and then take it back?

It s so easy to shrink an inch
Or is this room growing even more?
And it s so easy to light a match
When you ve been burned once or twice before
And when I swing blind in rage
I m in search of the first page
And when I sing from the stage
Who will get the last word?
You re the one who creates
All to which I retaliate
But can I ever navigate
Another path than to react?

Chorus

G#m E B

I ll find where aggression hides away

F#

G#m

Where my own two hands hold sway

E E

It s a bright and beautiful new day

F# G#m

I will act, I will act

Е

Your reaction, your relapse

В

Out of love will grow collapse

F:

Something somewhere finally snaps

G#m

And I will act, I will act

Chorus
