Intro: **Bm**

Bm A
My reaction, my response Bm
I m a function in need of x A
Ask me questions and I reply G
I m never first but I m always next Bm
And we stare in our eyes G
Never blinking and going dry Bm
Do you care more than I G
Who will get the last word? Bm
And if we trace back the time G
Who began with the first line? F#7
In any case it s not mine Bm
Because these days I can only react

Chorus :

Bm G D
I ll never speak without your lead
A Bm
And I m your shadow; I react
G D
I ll be the gear between your teeth
A Bm
When you re spinning, I react
G D
You are the neutron at lightspeed
A Bm
Spring me open, I react
G D

But can I find the zero point I need?

A

Bm

Can I change it all and then take it back?

It s so easy to shrink an inch
Or is this room growing even more?
And it s so easy to light a match
When you ve been burned once or twice before
And when I swing blind in rage
I m in search of the first page
And when I sing from the stage
Who will get the last word?
You re the one who creates
All to which I retaliate
But can I ever navigate
Another path than to react?

Chorus

Bm

G

D

I ll find where aggression hides away

A

Bm

Where my own two hands hold sway

G

D

It s a bright and beautiful new day

A

Bm

I will act, I will act

G

Your reaction, your relapse

D

Out of love will grow collapse

A

Something somewhere finally snaps

Bm

And I will act, I will act

Chorus
