Intro: Bm
Bm
My reaction, my response
I m a function in need of x
Ask me questions and I reply
I m never first but I m always next
And we stare in our eyes
Never blinking and going dry
Do you care more than I
Who will get the last word?
And if we trace back the time
Who began with the first line?
In any case it s not mine
Because these days I can only react
Chorus:
Bm
            G
I ll never speak without your lead
              A
And I m your shadow; I react
I ll be the gear between your teeth
When you re spinning, I react
             G
```

You are the neutron at lightspeed

D

Spring me open, I react

But can I find the zero point I need?

Can I change it all and then take it back?

Bm

It s so easy to shrink an inch
Or is this room growing even more?
And it s so easy to light a match
When you ve been burned once or twice before
And when I swing blind in rage
I m in search of the first page
And when I sing from the stage
Who will get the last word?
You re the one who creates
All to which I retaliate
But can I ever navigate
Another path than to react?

Chorus

Bm G D

I ll find where aggression hides away

I

Where my own two hands hold sway

It s a bright and beautiful new day

A Bn

I will act, I will act

G

Your reaction, your relapse

D

Out of love will grow collapse

7

Something somewhere finally snaps

Bm

And I will act, I will act

Chorus
