You can hear in the song that on the B chord and the G#m Chord he does a little variation, and He does it every time. The variation for the B chord is this.

E|---2---2---|  
B|---4---2---|  
G|---4---4---|  
D|---4---4---|  
A|---2---2---|  
E|-----|

The variation for the G#m Chord is this.

E|---4---4-----|  
B|---4---4-----|  
G|---4---4-----|  
D|---6---4-----|  
A|---6---6-----|  
E|---4---4-----|

You have to hear when he does that variations so that you can have the right timing for them.
