Tuning: Standard (EADGBE)

Chords used: **Dm D F Bb C Am Gm**

There s a few spots that 2 or 3 chords can be interchangeable (ie. Am and C),  
but  
this is what I came up with. Enjoy!

**Gm F**  
In my mind worlds collide  
**Am Bb**  
Something inside me is gone  
**C Dm**  
Still I keeping going on  
**Gm F**  
In my mind oceans divide  
**Am Bb**  
I don t know where I belong  
**C Dm Gm** (slide down)  
But still I keep holding on and on

**Dm F**  
I get by in a world with no conscience  
**Bb C**  
By shutting it out and being anonymous  
**Dm F Gm Bb C**  
And the problem is you re just like me
