

**Gone Forever**  
**Three Days Grace**

**Bm**

Don't know what's going on

**G** **D**

Don't know what went wrong

**G** **D**

**A**

feels like a hundred years, I still can't believe you're gone

**Bm**

So I'll stay up all night

**G** **D**

With these bloodshot eyes

**G**

While these walls surround me

**D** **A**

With the story of our life

**F#** **G**

I feel so much better

**D** **A**

Now that you're gone forever

**F#** **G** **D** **A**

I tell myself that I don't miss you at all

**F#** **G** **D** **A**

I'm not lying, denying that I feel so much better

**F#** **G** **F#** **G** **A**

No - ow that you're gone fore-ver

**Bm**

Now things are coming clear

**G** **D**

And I don't need you here

**G**

And in this world around me

**D** **A**

I'm glad you disappeared

**Bm**

So I'll stay out all night

**G** **D**

Get drunk, and fuck, and fight

**G**

Until the morning comes

**D** **A**

I'll forget about our life

**F#** **G**

I feel so much better

**D** **A**

Now that you re gone forever

**F#** **G** **D** **A**

I tell myself that I don t miss you at all

**F#** **G** **D** **A**

I m not lying, denying that I feel so much better

**F#** **G** **F#** **G** **A**

No - ow that you re gone fore-ver

**F#**

The first time you screamed at me

**Bm** **A**

I should have made you leave

**F#** **Bm** **A**

I should have seen it could be so much better

**F#**

I hope you re missing me

**Bm** **A**

I hope I ve made you see

**F#** **G** **A**

That I m gone forev-er

**Bm**

And now it s coming clear

**G** **D**

That I don t need you here

**G**

And in this world around me

**D** **A**

I m glad you disappeared

**F#** **G**

I feel so much better

**D** **A**

Now that you re gone forever

**F#** **G** **D** **A**

I tell myself that I don t miss you at all

**F#** **G** **D** **A**

I m not lying, denying that I feel so much better

**F#** **G** **F#** **G** **A**

No - ow that you re gone fore-ver

**F#** **G** **A**

And now you re gone fore-ver

**F#** **G** **A**

And now you re gone fore-ver

Bm (?)

Like this I think?
