

**The High Road**  
**Three Days Grace**

Transposed this song to standard  
so it s easier to play on acoustic guitar! :) Enjoy!

[Verse 1]

**Ebm B**  
I told you I was hurt  
**F# Bb**  
Bleeding on the inside  
**Ebm B**  
I told you I was lost  
**F# C#**  
In the middle of my life  
**B Ebm**  
There s times I stayed alive for you  
**F# C#**  
There s times I would have died for you  
**G# B**  
There s times it didn`t matter at all

[Chorus]

**Ebm B**  
Will you help find the right way up  
**F# C#**  
Or let me take the wrong way down  
**B Ebm C#**  
Will you straighten me out or make me take the long way around  
**Ebm B**  
I took the low road in  
**F# C#**  
I`ll take the high road out  
**B Ebm C#**  
I`ll do whatever it takes to be the mistake you can`t live without

[Verse 2]

Standing in the dark  
I can see your shadow  
You`re the only light  
That`s breaking through the window  
There s times I stayed alive for you  
There s times I would have died for you  
There s times it didn`t matter at all

[Chorus]

**Ebm B**  
Will you help find the right way up  
**F# C#**  
Or let me take the wrong way down

**B** **Ebm** **C#**  
Will you straighten me out or make me take the long way around  
**Ebm** **B**  
I took the low road in  
**F#** **C#**  
I'll take the high road out  
**B** **Ebm** **C#**  
I'll do whatever it takes to be the mistake you can't live without

[Bridge]

**C#--Bb** (over the whole part)  
Well I m not gonna give it away  
Not gonna let it go just to wake up someday  
Gooooone, goooone  
The worst part is looking back and knowing that  
I was wrong

[Chorus]

**Ebm** **B**  
Will you help find the right way up  
**F#** **C#**  
Or let me take the wrong way down  
**B** **Ebm** **C#**  
Will you straighten me out or make me take the long way around  
**Ebm** **B**  
I took the low road in  
**F#** **C#**  
I'll take the high road out  
**B** **Ebm** **C#**  
I'll do whatever it takes to be the mistake you can't live without
