#1.

**C** **G7**  
She may be weary, women do get weary,  
**C** **Gm** **A7**  
wearing the same shabby dress.  
**D7** **G7** **C** **Dm7** **G7**  
And when she s weary, try a little tenderness.

#2.

**C** **G7**  
You know she s waiting, just anticipating,  
**C** **Gm** **A7**  
things she may never possess.  
**D7**  
While she s without them,  
**G7** **C** **F7** **C** **C7**  
try a little tenderness.

CHORUS:

**F** **E7** **Am**  
It s not just sentimental, she has her grief  
**A7**  
and care.  
**Dm** **A7+5** **A7**  
But a word that s soft and gentle, makes it  
**Dm7** **G7**  
easier to bear.

#3.

**C** **G7**  
You won t regret it, women don t forget it..  
**C** **Gm** **A7**  
love is their whole happiness.  
**D7** **G7** **C** **Am7** **Dm7** **G7** **C7**  
It s all so easy, try a little tenderness.

CHORUS:

**F** **E7** **Am**  
It s not just sentimental, she has her grief  
**A7**  
and care.  
**Dm** **A7+5** **A7**  
But a word that s soft and gentle, makes it  
**Dm7** **G7**

easier to bear.
