

Fishy
Threebrain

Band: Threebrain
Song: Fishy
Tabbed by: John Araujo

Standard Tuning

OK boys and females, this is and ultra-cool song by an ultra-cool band, and you re in luck because it just happens to be ultra-easy. There are three chords:

Chord X, Chord Y, and Chord Z

e---4--	e---4--	e---5--
b---5--	b---4--	b---5--
g---6--	g---5--	g---6--
D---6--	D---6--	D---7--
A---4--	A---6--	A---7--
E---4--	E---4--	E---5--

strum all chords for their duration unless otherwise instructed.
Here we go:

X(let ring) X Y
 What s holding on to me? I wanna go
 Z
 And swim with the other fishies
 And swim with the other fishies
 X Y
 I wanna go swim with the other fishies
 Z
 You fucking octopus. Fuck you.
 X * Y
 Let me go I want to swim free like a
 Z
 slut free like a dirty
 X Y
 Slut. Octopus, go fuck your
 Z
 self... FISHY FISHY FISHY
 X * Y
 My name is fishy And I like to swim
 Z
 In the sea in the sea
 X Y Z
 I m the fishy I m the fishy

* at these parts, the guitarist does a hammer strum at the chord change like so,

	X		Y
e	4	4	4
b	4	h5	4
g	6	6	5
D	6	6	6
A	4	4	6
E	4	4	4

Sorry I don't know the actual names of the chords but it's not like it matters anyway.
