FOR MILES (Acoustic) - Thrice

Tabbed by: Le_Bunny
Tuning: Standard

Hi and thanks for viewing my tab.

I ve had a crack at making an acoustic version of this song, and though Thrice usually has non-standard tuning I can never be bothered to change it. To me it sounds pretty good, let me know what you think or if you have any tips because I am very inexperienced at tabbing by ear.

N.B. I like to use alternate versions of E and B at certain parts marked with an asterisk (*). These are E: x76450 and B: 799877.

Am **C** **F** **Dm** **Dm** **B**
I know one day, all our scars will disappear, like the stars at dawn
C **Am** **B**
and all of our pain, will fade away when morning comes
Am **C** **F** **Dm** **Dm** **B**
and on that day when we look backwards we will see, that everything is changed
C **F** **E***
and all of our trials, will be as milestones on the way

Am **C** **E***
and as long as we live, every scar is a bridge to someone s broken heart
Am **E~**
and there s no greater love, than that one shed his blood for his friends

G# **B*** **E**
on that day all of the scales will swing to set all the wrongs to right
Am **C** **B**
all of our tears, and all of our fears will take to flight
G# **B*** **E** **Dm**
but until then all of our scars will still remain, but we ve learned that if we
ll
Am **C** **E**
open the wounds and share them then soon they start to heal

Am **C** **E**
and as long as we live, every scar is a bridge to someone s broken heart
Am **E~**
and there s no greater love, than that one shed his blood for his friends

Am		G#	
e --t5p0-t1p0-----		e --t4p0-----	
B -----t3p0----		B -----t1p0-----	
G -----		G -----t4-----	
D -----	x4	D -----	x4 rpt
A -----		A -----	
E -----		E -----	

To end, you may wish to slow down (ritardando) and strum and sustain an Am chord.
