

Lost Continent Thrice

Song: Lost Continent

Band: Thrice

Album: The Alchemy Index: Vols. I & II - Fire & Water

Tuning: D Standard

Tabbed: J. Griff (artificial_inside@yahoo.com)

Comments: I was watching this song on Thrice s Myspace Transmissions a little while ago. I figured I could find a tab for this song, but there weren t any. So, I wanted to tab the song for myself. Most of this song is played on a piano. I ve never tabbed out a piano song on a guitar before, so this tab may be rough. This would be my second Thrice tab and fifth one overall. If there are any corrections let me know. Please rate and comment.

Notes:

To play the verses, you strum in quarter notes. Also, I m shortening the Gsus4 to G4 to fit between the other chords. The Em2 is actually an Em. I put a 2 beside it to avoid confusion between the chords played in the verses and the chorus.
