

Of Dust And Nations Intro
Thrice

This is just the little acoustic part, I was messing around and stumbled on what I thought sounded pretty accurate. I was in standard, but I m guessing the song is going to be the same tuning as the rest of the album, not that you use the low E for this part anyway.

```
e |-----|
B |-----13-----|
G |-0h9h10----10-9-10-9p0-9p0-9p0-9p0-|
D |-----|
A |-----|
E |-----|
```

or

```
e |-----|
B |-----13-----|
G |-0h9h10----10-9-10-9-10-9-10-9-10-9-10-|
D |-----|
A |-----|
E |-----|
```

tell me which one sounds better, or if they both fail.
